25 May 1983

MEMORANDUM FOR: The Record

SUBJECT : Pay Modeling Meeting - PMCD

1. On this date [] and I met with [] to discuss their request for modeling support for a pay project involving pay banding for DDO OPS Officers. They are specifically interested in determining the degree of grade creep for OPS Officers. What we talked about providing was:

- a. A 1976/1983 comparison in constant \$ and/or grades.
- b. Average grade difference between OPS requirements and employees (1976 & 1983).

c. []

2. It was agreed that [] would have to stipulate which occupational codes to include in the data (in todays terms).
